

Office of Materials and Testing Qualified Products List

This is a listing of approved Thermoplastic Drainage Pipe producers prepared in accordance with the Office of Materials and Testing Standard Operating Policy 28 (SOP-28) entitled, “ <i>Inspection of Thermoplastic Drainage Pipe</i> ”. Please refer to section 845 of the GDOT Standard Specifications for material requirements.		QPL-51 Thermoplastic Drainage Pipe Producers		Inspection Services Branch 15 Kennedy Dr. Forest Park, GA 30297 Office Phone: 404-608-4885 Office Fax: 404-608-4888		
All thermoplastic drainage pipes must be pre-inspected and stamped, by means of either a thermal branding iron or an approved sticker on the interior wall of each pipe section, with a Plastic Pipe Technician (PPT) number. Corrugated PE Underdrain Pipe does not require stamping, but is still required to be direct shipped from approved producers contained within this listing. <u>Purchasing and shipping pipe from third party distributors and vendors is not permitted.</u> Pipes without stamps or from producers not contained within this list must not be incorporated into any GDOT work without prior approval from the engineer and should be reported to the Inspection Services Branch of the Office of Materials and Testing.
